Dear Sir

I arrived safely by Paul Busy with the wheat arrived yesterday morning - I have been very since very busy in getting my goods on board - I enclose you an account - you will observe they are numbered on the lid but the packages are not all done so such as contain looking glasses - Chinea Glass &c are numbered that they may be careful in moving them you will oblige Stainy to have them brought up and have them put into one of the rooms of the house that has a lock & key - such as will not be injured by being put into the cellar may go there - the Corn is for my family use -

In consequence of your Letter from Annapolis I have looked over & found among Mr Ringgolds papers every thing respecting Cooper I have found any Poor Harriet letter to old Mr Ringgold acquainting him that was had petition the Court for her freedom and requesting he will would furnish him with proofs of her being a slave - have also found the Copy of the letter from Mr Ringgold to Lidgely & Hillhouse by which it appears he was as that he belong to the Things Cooper and was convicted for stealing Sugar - he was sold for £80 Stg to Lidgely & Hillhouse £25 & to his master £25 Stg - their answer to the Letter says he was the property of a Mr Pinchom who had been dead & his wife also for several years & her family removed from Bristol and that they could get no further proof - Stephen Steward told me last fall that the County Court had once already determined
