1789-1790 James Cheston

SIDE TWO

I can hardly bleave my Dear Sister is at lenght so near us I rejoice at it I never yet so ardently wished to See you all and I have hoped for Several day that Mr Cheston was waiting for you we shall escpect you to Dinner my Brother says nor I wish I may Sleep to Night – Nancy. Pollys a Simpletton and always will be so – this sensibelety which you all admire so much is a cursed Device – the greatest curse inflicted on mankind
