1790 James Chestor

SIDE ONE

Lost marsh may the 18 1790

Sir)

Mr Chestor I have got the oxen and the bolly home from Cent and have broke them safe from Jeramey of hort I have got no more Cowes as yet I expeck to git som more This weeke one if not tow I shall be much to it to hall The frames in with the forse I have I shal be glad to have one hand or to mor if convenant and one more horse a medetly for I see that if we dont Give the marsh Dubble Pillig we shall make no crop nor have it fit to receive Grass seed in fol Formedo Jeremiah planten all the upt land on shall Peneah Brakeing The meder on This weake I have flushed it up t in Eight feet lands and shall Dryg it with a hane Dry on the Top of Every Land before I plant it to make the ground as short as I Can as I think it will be prophe bble both for Corn and to kill the grass in onde to Receive the sed in fol the feller that wore sych when one has got out The hands is all well at This time my Plamely is very forly get The glad you wod send me word by mr Norris what you will Give for cuting The ditches Through the Corn field as it wont be in my power to do much of them. The ditches to be five fet on top 3 in bottom 2 deep I have ofard 6 pence a rod and Can't git none on I shall Give 5 pence till I hear from you sir or as low as I Can till I hear from you I have got The Phirgs from Town we loith for yot Pr Git a barrel of Pur I should be glad you wod send over the fish as soon as posible that we may have both fish and meat Cls I shal have no meat soon

I am your most obdt

Thos Scott

Mr James Chestor
