Yesterday being so very bad a Day Tom could not get out, and I write now at my fathers direction, to begg you will, get your your Bro r to return with you to Tulip Hill that you may not be at any more expence then what is absolutely necessary, should he not imediately leave the Country, I hope you will consider what consequence it is, to lighten the expence, and have no difficulty at ~~expecting~~ excepting the offer, I have been very far distant from an easy mind since we parted, and am very sure your feelings have not been happier when ~~at~~ you are present I do not feel our situation as when you are absent, it would be some comfort to know when to expect you, pray write me by every opportunity, the Children continue all well and desire their love, Tommy requests you will send his letters to the extent shore he has behaved most unexceptionably, and I believe with proper management will make a useful member of Society,

Your. Aff r
A Chester
