D Brother

By the Restoration Recd. yr Letter of 3d August. I give you Joy of yr Navy for Gain. Really glad to hear yr all the Family were well; Since I wrote you last I have had two Attacks of my old Disorder, The Bilious Fever; However it was not very Severe and I soon got rid of it each time.

I shall write to Chester about yr Lots and homes immediately and as soon as the Mow is dispatched, I shall go over there, and do the best I can in the disposal of them. I shall take particular care to reserve the Spot of Ground in the corner of the Lots agreable to yr Directions.

You May depend take it for Granted, the prospect of the times here affects me very Nearly. No Person can look coolly on I see almost a certainty of every thing being thrown into confusion here in a very little time, especially too when he has
