SIDE TWO

I can find no Account of the Weight of the Iron pots among Capt.n Thomas's Papers. —

There is a Bond among the papers, from Patrick Kennedy to Vigor & Stevens of Bristol for £45 19 which I suppose was for goods that Capt.n Thomas brought in with him to sell for their Accounts. Patrick Kennedy left this Country abt. 3 years ago — I believe the Money is lost.

Capt.n Thomas is credited in my Books £14. 0. 1 ster. for 2 Crates of Earthen ware, which I suppose may likewise have been sold on Acc.t of some body else as Capt.n Thomas does not mention any thing of it in his list of Debts.

I can find Neither Account Bond or Note of Cajot Jones — —
