Mrs Dear Nancy

Baltimore Augt 24th 1795

I Sat off yesterday at 2 o'clock after a tedious ride for Selph Hale - the Rains had made the Roads so heavy that I was obliged to have two horses buy Much - yet notwithstanding I was in so Much Rain the Carriage Kept me perfectly Dry and I have Not got the least Cold or Indisposition of any kind thus far -

Mr Young talks of setting off for Philadelphia tomorrow, if he does I will keep me here possibly till Tuesday Next as he can not go & return in less than 6 Days - It will be a tedious time to me, as I really am in a state of Anxiety from the time I leave home till I get back again I spend - ly too, If all is not well there - I shall be very glad; If you have an Opportunity
