No. 134.

An ordinance regulating framing joists around flues and openings in floors and roofs of buildings.

Repeal.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That Section 56 of Article 7, City Code, 1893, be and the same is hereby repealed and reordained as follows:

Kind of framing joists determined.

Section 56. In all buildings hereinafter erected, altered or repaired, having one or more floors, the beams, joists and rafters shall be framed around all flues, air chambers or other openings in walls, and also around all elevator holes, stairs and other openings in floors. All framing done either with iron stirrups or mortise and tenon, and the framing to be strong enough to sustain the safe weights required by Section 59 of this Article. In all buildings where a safe weight of one hundred and fifty (150 lbs.) pounds per square foot of floor space and upwards is required, the framing shall be done with iron stirrups, and the long trimmers and headers doubled or tripled, as required for safe weights. And all buildings where less than one hundred and fifty pounds per square foot of floor space is required the framing may be done with mortise and tenon, but all trimmers and headers must be double joists, or equal thereto, and in no case can framing be done other than specified in this section under the penalty as specified in Section 85, Article 7, City Code 1893.

SEC. 2. Be it ordained, That this ordinance shall take effect from the date of its passage.

Approved, May 8, 1901.

THOMAS G. HAYES, *Mayor.*

No. 135.

An ordinance to repeal Section 16 of Article 54 of the Baltimore City Code, 1893, relating to and establishing certain charges for water, and to re-enact the same with certain amendments.

Repeal.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That Section 16 of Article 54 of the Baltimore City Code, 1893, relating to and establishing certain charges for water, be and the same is hereby repealed and re-enacted so as to read as follows:

Water rates and charges.

For following charges or rates for the use of hydrant water shall be for one year, as follows, viz:

For stores and warehouses not occupied as dwellings, twenty-two-feet front and over, ten ($10) dollars.

For stores and warehouses not occupied as dwellings, seventeen-feet and less than twenty-two-feet front, eight ($8) dollars.

For stores and warehouses not occupied as dwellings, under seventeen-feet front, six ($6) dollars.

For a private family in a house over twenty-two-feet front, thirteen ($13) dollars.

For a private family in a house over nineteen-feet front, and not over twenty-two-feet front, twelve ($12) dollars.

For a private family in a house over eighteen-feet front, and not over nineteen-feet front, eleven ($11) dollars.
