My Dear Sister

Mr Dilgrimm will give you a very Satisfactory Account of us all as to our health and think I ought not to complain more after having 11 Beds sheeted on thursday Night for my Children and Grand Children and my head was nt the least turn by the little Groupe Nancy and Maria hippuredaway in the Dance at the Ball I got after they went to it with Susan in my Arms Nanny on tother Side I Thomas next and so on at the tea Table all Delighted I played Cards with them Untill ten Oclock George the Cook of the Company takeing of Uncle Joe Galloway and the Gentlemen he had seen at his fathers yesterday Evening they all left me but Mary and Susan Nancy Came for them and has just gone and I am left for a few days to my Self as I wished it to see a little into my house and Affairs which is you know some times proper. We dont have so much Company and miss Nancy Edwards is some trifles but the girl I have is honest and one
