or less, thence southeasterly on that line 1,238.5 feet more or less to the northwest side of Twenty-eighth street, thence along the northwest side of Twenty-eighth street southwesterly 66 35-100 feet to the beginning; and also to condemn and open all that part of Twenth-eighth street, sixty-six feet wide, running southwesterly 23.07 feet from the southwest side of Mount Vernon avenue aforesaid, as contained within the letters A, B, C and D on the preliminary plat of this proposed street opening, now on file in the office of the Commissioners for Opening Streets.

Assessment

SEC. 2. And be it further ordained, That any person or persons, or body corporate, who may be dissatisfied with the assessment of damages or benefits which shall be made by the said Commissioners, may appeal therefrom to the Baltimore City Court, at the time, in the manner and after like notice by the City Register as provided for in Section 179 of the Baltimore City Charter, and that the Collector and Register of Baltimore City shall also perform such duties in relation to said street as are required of them by the provisions of said Baltimore City Charter.

Obligation of United Railways & Electric Co.

SEC. 3. And be it further ordained, That in condemning the land, or any part of it aforesaid, necessary to be acquired for said proposed street, nothing herein contained shall be construed to abridge or impair in any way whatever the obligation and contract of the United Railways and Electric Company of Baltimore, incurred in and by

Ordinance No. 103, approved January 16, 1901, or any section or clause thereof, but the said ordinance shall remain in full force and effect.

Approved May 19, 1902.

THOMAS G. HAYES, *Mayor.*

No. 58.

An ordinance to appropriate an additional amount of money for the construction of public school buildings and heating the same, one located at Lakewood avenue and Orleans street, one on a lot south of Warren avenue, and one at Chestnut and Fourth avenues, the original construction of said schoolhouses being provided for in the Ordinance of Estimates for 1902.

Appropriated $27,401.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That the additional amount of twenty-seven thousand four hundred and one ($27,401) dollars be and is hereby appropriated for the construction and heating of the public school building located at Lakewood avenue and Orleans street, and being the public schoolhouse originally provided for in the Ordinance of Estimates for 1902.

Appropriated $28,214.

SEC. 2. Be it further ordained by the Mayor and City Council of Baltimore, That the additional amount of twenty-eight thousand two hundred and fourteen ($28,214) dollars be and is hereby appropriated for the construction and heating of the public school building located on a lot to be selected south of Warren avenue, and being the public schoolhouse originally provided for in the Ordinance of Estimates for 1902.
