Dear Mrs. Hley,
I hope you will be well. I am
one separately and come
fine us to so many min-
utes. It is such a big, big
subject one might take
up much of the time.
Excuse this post card. I have
no postal card. But try to
appreciate it a little for
it is dear to my heart.
It is one of the picturesque
scenes of my native coun-
try. Most cordially
Yours,
