three feet five inches long, one foot ten inches wide and two feet one inch high (inside measurement), with close-fitting iron top, for the purpose of depositing therein such quantity of powder not, exceeding the amount allowed by law or ordinance, said safe to remain inside or outside of the premises now occupied by them, No. 118 South street, during the day, and to be placed by them on the outside of said premises at night, and secured to the building by chain and lock, provided a key of said lock be left in the custody of the Chief Engineer of the Fire Department and the Marshal of Police, for better safety in case of a fire in the neighborhood; and provided further, that no powder shall remain on or about the premises after the close of business, except to be deposited in said safe; provided further, that on said safe shall be the word in letters at least two inches in height, "Gunpowder."

Approved January 16, 1903.

THOMAS G. HAYES, *Mayor.*

No. 35.

Resolution to place a drinking fountain on the northwest corner of Calhoun and Ramsay streets.

Resolved by the Mayor and City Council of Baltimore, That the Water Engineer of the Water Board be and he is hereby authorized and directed to have placed a drinking fountain of the latest improved pattern, for man and beast, on the northwest corner of Calhoun and Ramsay streets, and that the sum of seventy-five ($75) dollars, or so much thereof as may be necessary, be and the same is hereby appropriated to defray the cost of the same; said sum to be provided for in the Ordinance of Estimates for the year 1904.

Approved January 26, 1903.

THOMAS G. HAYES, *Mayor.*

No. 36.

Resolution granting permission to Baltimore Utilization Company to erect frame building on the shore of the Patapsco river, South Baltimore.

Be it resolved by the Mayor and City Council of Baltimore, That permission be and the same is hereby granted to the Baltimore Utilization Company to erect a frame building, 60 feet by 110 feet, and 45 feet high, and to put in said frame building three floors, said building to be used as a garbage reduction plant. To be located on a lot of ground formerly known as the Chesapeake Guano Works, and now occupied by the Baltimore Sanitary and Collection Company, bordering on the Patapsco river, south of McComas street, and between Covington and Webster streets. The sides to be covered with corrugated iron and to be constructed under the supervision of the Inspector of Buildings and subject to the usual fees.

Approved February 2, 1903.

THOMAS G. HAYES, *Mayor.*

No. 37.

A resolution to pay the widow of J. Frederick Schaefer a certain sum of money.

Be it resolved by the Mayor and City Council of Baltimore, That the sum of three hundred ($300) dollars be and the same is hereby appropriated, to be paid by monthly instalments to Fannie Schaefer, widow of J. Fred. Schaefer, a fireman of the Baltimore City Fire Department, who was killed in the discharge of his duty, for the support of said Fannie Schaefer for the year of 1903.

The Board of Estimates is requested to take same out of the Contingent Fund.

Approved February 12, 1903.

THOMAS G. HAYES, *Mayor.*
