SIDE TWO

off the track in a day from Williams port ~~in a ship~~ to
peak and by himself only the Driver was Dreadful they
d every thing to keep him Nancy Mr Dilephman was there
I fear he got hurt in the Sleigh when he was over Pitts which he
wrote me after he got to Cumberland I have been much better since
wrote you on Monday my Cold much Abated and I Eat with
a little appetite to day I hope you got letters from me when your
last letters came to Annapolis I have not omitted writing to
you every Monday or my Brother this five Months I hope
we shall all meet once more at West River this spring but
will not be so soon as we intended Mr Dilephman now says
shall not set off untill the first of May which will suit
as all better as you need not hurry home from Baltimore there
hope you will regain your spirits and spend your time hap
with your dear Children you have and comfort above your Sister
that of having a Son that is a credit to you one that the
whole World gives the best of Charaters to as an uncommon steady
Young Man just Notions and nice ones of Honour added to that stock
Industry to Sam he has done more for them his Brother could do and
not a father could have done more the Other day a Gentleman wanted
get some Money paid here and the Money to be exchanged in Baltimore
was a Dutch Man too he requested to know in whose hands the Money
was as now he said few people who got Money but made use of it whether it was

there own or not on knowing it was in Dennis [illegible] he said
the Business should be done as are well as Sams as Stanley
tell my Brother I have spoke to Sam which I had not done before
he wrote me he was not coming up and he promised to come home
in a few days and my Business should be settled. I will write
my Brother next week Dorsch writes me that Polly continues
Weak and low has never been out of her room [illegible] frequency
returns of the Rheumatism and which they
to get home untill April [illegible] Spring
News from some of our friends and as you said
to hear and Dread least some thing more to
from [illegible] Dilephman on Sunday informed
[illegible] Richard Dilephman Colling sick as
extremely ill had been so for a Week taken
Saint Vitus Dance not a moment could he be still the Doctors say
it would end in an applectic fit half a gallon of blood had been
taken did not reduce his pulse but a very little I would not wish you
to tell this to my Dear Brother as he was a gouty Subject and my
Dear Brother will be much Effected he had a great for the Coll[illegible]
give my tender love with my Brothers Sisters who is good friends to
me when Sick and my Children not with me they see me often and
my Brother sets by my bed side Constantly would not this be a good time
to beg my dear Brother to be at peace with his our Uncle spoke to me about
said it gave him great pain and it will give me pain in my last days write
do not forget if you think I should write to him about it. Jemmy best love
I am your [illegible] sister Mary being good
