

at the Section of the Fifth

Laid out into Streets and Avenues under an act of General Assembly of Maryland passed 15p Sec. 99, and as of 1872. We the undersigned Street Commissioners for Laying off Streets in Baltimore County adjoining report that we have laid off all that territory lying in said County west of Baltimore City from Lafayette Street, including the same (Lafayette Avenue having been Returned in Sec. No 14) into said County two miles by names and numbers as designated and marked on said Plat and now with filed as a part of this our return and report and have designated the same as Section 6 on this Plat is not to be included in this return, said Avenue having been previously a Plat for the purpose of showing its connection with the Streets of this section.

This 19th day of February 1873
