My dear Mother

You will be pleased to hear we got along very comfortably yesterday - Galloway was at the Wharfe in his Carriage and we had a most kind reception from Margaret & the dear Girls - My Bro.r had a good night & walk to Church & back again to-day, Mr. Morris came home with him & reported well of his Family - Mr. Carey is very sick & his friends seem apprehensive for him, & Mrs. Thomas is complaining of pain in her side & is quite confined, of course Margaret is a good deal there - My journey fatigued & excited me so that I have kept quiet to-day & have not been farther than round the yard which looks quite inviting. I never saw Betsy & Fanny look better & Mary writes that she is ready to come down, & I hope will be here in the course of a few days - I shall be anxious to hear from you & hope you will write - Susan is about leaving Margaret she has hired a black woman for a Cook & a white one as Housekeeper & sewstress - at present ~~the~~ Susan's Daughter is here in place of Maria who I find went on a visit to West River yesterday - with love from all here ~~to~~ to yourself & James I remain Yr. Affte Daughter
