My dear Aunt

I was very glad to hear from our dear little Doctor a few days since that you were enjoying such good health and that all your friends were well – and that Ann Maria was better – I sincerely hope she has a fair prospect of a complete restoration to health and that her dear little Girl Maria so as to be a great comfort and amusement to her

I wish I could give you as good a report of our family here – for one or other of us have been sick all winter – tho' not ill at all – we are all getting on better at present except my dear Mary who has had an obstinate sore mouth so long I begin to feel anxious to get it well again it seems to be a complaint going about here – and came from a bad cold Mary caught in going to the Funeral of Capt Beach a Cousin of Mr Markoe Our little darling pet is as bright and good
