SIDE ONE

Mrs Chaulor

My dear Mama

I am sorry the weather continues so damp for it is neither wholesome or pleasant, we are all well here, and shall dine with you to-day, rely on my taking every precaution not to breathe more of this air than I can help I am sorry my Sister is not quite well I hope she is taking the bark — Jingo was here so soon I suspect you were up early today it is just nine o'clock —

Yr Affect Daughter
