Mrs Chester

are very agreeable & truly unexpectedly come
in, & only [illegible] for a days intending to return to
morrow, I must tell my dear Mrs Chester that
I feel so much happier by her very agreeable
accounts of dear Nancys health - with the rest
of the family &c. I pray a continuance of -
hope we shall yet spend many happy
days together - I am very well, & feel so happy
that I have contributed to good relief - & as soon
as the weather & roads will admit shall be
glad to see my Bird return - but my dear
if Nancy shows the least reluctance don't
sent her, our neighbours have invited us on
horse back - & are well - the governor this
morning - which abides down in the stage
last Friday had Mrs Ogle & Polly Floyd - very
lucky they have not suffered by it - Mrs
Ann Ogle has not increased her family
