Great Power Of Famous Fortune Teller

By WALTER C. ROBINSON, Editor The Chattanooga Observer

Have you ever wondered about those who are gifted by God to see into the future and able to work miracles on earth through God? When I think of one man I do not think that prophecy ended with the Bible. Through faith and power of God this man — according to their statements — has restored the sight of Mary King, Flint, Mich., and Cleve Corbin, Chattanooga, Tenn., when they were blind.

This man has helped thousand who came from near and far with every kind of problem. Word of mouth has spread untold praise of this remarkable man. People come with heavy hearts and leave filled with joy and praise for new faith in their future.

Husbands and wives have been brought back home, and a sweetheart was brought back even from Canada through the strange power of this gifted man. I know of a man who spent a great deal to get help, to bring his wife back. In despair he came to Doc Anderson, who got results in one day. I smile when I think of the man who came to Doc Anderson to help find his unfaithful wife. Doc told him where to find her and was he surprised! Older men and women tell and marvel at the way he has restored their nature.

This unusual man—through his mysterious gifts dating back to his boyhood—has pointed out stolen and hidden money—$1500 — after everybody else failed. The success of his financial blessings is known all over the world.

His famous predictions mentioned on "Meet the Press" Program September 30, 1956. It is wonderful how he tells your past, present and future without you saying a word. This remarkable man has a drawer full of unsolicited letters from grateful people testifying to their peace of mind, happiness and financial success. Most of them ended with wishes of God's blessings for Doc Anderson.

I could write for hours about his wonderful works and gifted power, but maybe you would like to see him yourself, so you may write: DOC R. C. ANDERSON, 308 W. Gordon Ave., Rossville, Ga., for information about his work or phone 831-1091 if you wish to make a date to see him in person. I am told you must see him in person to be helped. I understand he can be seen seven days a week. He is as near as your telephone.
