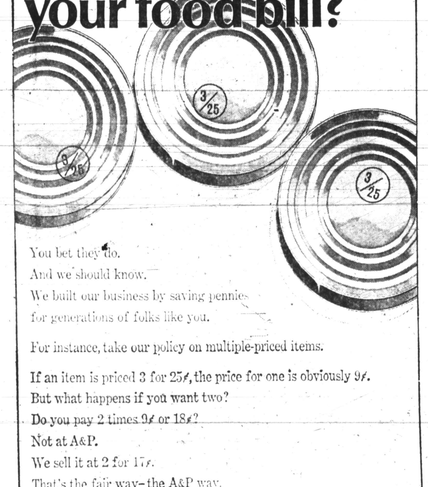
A&P

do pennies make a difference in your food bill?



You bet they do.
And we should know.
We built our business by saving pennies for generations of folks like you.

For instance, take our policy on multiple-priced items.

If an item is priced 3 for 25¢, the price for one is obviously 9¢.
But what happens if you want two?
Do you pay 2 times 9¢ or 18¢?
Not at A&P.
We sell it at 2 for 17¢.
That's the fair way—the A&P way.

Yes, in the food business...
in food budgeting, pennies make a difference.
We watch them for you and for us.

Is this a good reason for shopping A&P? It's one of many.
