Envoy says Duvalier has no Swiss account

SANTO DOMINGO (UPI) — Reports that President Francois Duvalier, Haiti's "president-for-life," is building up a U.S. dollar savings account in Swiss banks are "fantasy," the Haitian ambassador to the Dominican Republic said Thursday.

Ambassador Fritz Moise said the reports were the "fruit of someone's imagination." He said there was "no truth" in the report and he could not imagine where it emanated.

Volunteers purl, knit for seamen

NEW YORK (UPI) — Since early last spring, women and some men have been knitting one purling two for a unique volunteer project — to provide shipboard gifts for merchant mariners who will be at sea on Christmas Day.

Three-thousand knitters representing every state, all ages from teens to the 80's, even one blind woman, have used up three tons of yarn to produce 14,000 garments. They include sweaters, snug helmets, scarves, gloves and socks.

Now, another group of volunteers is finishing up the project, packing gift boxes and loading them onto ships that come into New York harbor during the pre-Christmas season.

In all, some 9,600 boxes will go overseas, destined for ships of any flag which use the harbor. And seamen in hospitals also are remembered.

The whole project is steered by the Women's Council, auxiliary of the Seamen's Church Institute of New York.

VSC's alumni unit holds meet

By ERNEST SHAW

PETERSBURG, Va. — The local branch of Virginia State College Alumni Association met here last Monday evening at Beaux 20th Club, formerly the USO.

Members of the club meet every second Monday of each month. The next club meeting is scheduled to be held on Dec. 11. It is billed as a Christmas Party.

Topics discussed during the meeting included the proposal and approval of change in meeting time. As from now on the club will hold its meetings from 8 p.m., instead of 7 p.m. The change was requested by Sylvester Blue, president.

The meeting was brought to a close with the evening song, by Russell Veal, vice president.

we care A&P

A turkey is a turkey ...not really!

Take A&P's "Super-Right" Turkeys, for example.
Because we understand how important the turkey is to your dinner, we do everything possible to be sure there are none finer than "Super-Right" Turkeys.
We start by carefully selecting the growers from whom we buy.
To assure perfect turkeys, we buy only U.S. Inspected Grade "A" birds.
To assure tenderness, we buy only young turkeys from this year's flock.
Because we care this much about "Super-Right" Turkeys, we know you can't buy better... even at a premium price.
So, we don't hesitate to offer you DOUBLE YOUR MONEY BACK* if our turkey isn't everything you think it should be.
Now that you know you can't lose on the turkey, here's something else that's important:
If you make A&P your store for all holiday needs, you're sure to be satisfied, because we guarantee everything we sell, no matter who makes it.
Isn't this the week to give A&P a try?
*Bring in the price label or register tape, of course.
