Football isn't the only game to watch this weekend.

This weekend doesn't have to be like last weekend.

This weekend, you can afford to leave your television set behind and go on one of Eastern's 70 low-cost Autumn Weekenders.

Leave on Friday. Return on Monday. And spend an exciting 4 days and 3 nights in no place like home.

San Juan Weekender, $142 including hotel and air fare.

Watch a game of dominos in the streets of Old San Juan. Stay in a spacious studio apartment with a private terrace at Diener Tower in the Condado Beach area. And if you'd like, rent a car for three days with unlimited mileage for only $41 plus gas and insurance.

Miami Weekender, $117 to $129 including hotel and air fare.

Golf is big in the Miami Beach/Ft. Lauderdale area, where you'll stay at one of 14 selected hotels and motels. Greens fees are nominal. Two children under 12 can stay free in a room with parents. And you can rent a car for $8 a day with 100 free miles (gas and insurance extra).

On all Weekenders, prices apply until December 15 and include a round-trip ticket for one person (based on weekend coach/thrift fares) and a hotel room for one person (based on double occupancy). Prices don't include meals or local and departure taxes unless otherwise indicated.

Puerto Rico Weekender, $180 to $195 including hotel and air fare.

Spin a roulette wheel by night and play golf and tennis by day. It's all there to enjoy at the Cerromar Beach, a new and exceptionally beautiful hotel "out on the island". Breakfasts and dinners are included and so is your transportation to and from the airport.

If you'd like, you can charge this or any Weekender on the American Express Money Card. To extend payment just "Sign & Fly" to cover your air fare. Or "Sign & Travel" to charge the whole works.

Bermuda Weekender, $166 to $262 including hotel and air fare.

Watch the cricket players practice and soccer players play. Choose from a selection of quaint guest houses with breakfasts included or housekeeping apartments and luxury hotels with breakfasts and dinners. And find out why wearing Bermuda shorts at home isn't anything like wearing Bermuda shorts in you-know-where.

In the past two years, we've helped put together more weekend vacations for more people than any other airline. If you have any questions at all, please call your travel agent or Eastern, at 768-3100 in Baltimore.

HAVE A NICE WEEKEND.
