My dear Aunt

Although it is late and I have been hard at work all day moving into the house I cannot let Dick go without a page as I promised to you to tell you all our proceedings He has arrived safe and with but little injury. Indeed I think we have escaped most wonderfully and you will think we have been much favoured when I tell you that Capn Smoot says he was aware at low tide only 2 feet water and the sloop beat against the ground so hard all night the expected every moment she would go to pieces — We have been unpacking and putting to rights already and begin to feel ourselves quite comfortable in our house which appears to be very warm and is an excellent one the rooms being warmed with very little fire, the chimneys draw well and throw out the heat delightfully which we saw our wood — Capn Smoot says he
