SIDE TWO

anxious to give satisfaction to all parties and two much
hurt when I think my self treated with ingratitude but we
ought not to escepect our reward in this World I wish I could
oftnere remember that Sanches Wife who is a fine Woman
is still lusty she suffers much With Violent spasms and I
hope she may not have two she is so shaped like Doms Wife
she was exstremely ill last Weak I stept there and was once
all matters would soon be settled it went off Dommys family
has been at Sams a fortnight and all these Children and Sam
has had Violent fevers with Violent Coughs and Colds I think
its the begining of the Hooping Cough for which reason they
dont come here for a few days least these Children should
ketch it Mr and Mr Dilghman stay untill Tomorow weak
and talk of going to west River through the federal City
to avoid the fever we have Races here on Wednesday and our
house to be full on Wednesday I hope I shall be better all gone to
day but my self to Mr Bells to Dinner she with two and twenty
dined here last thursday all asked for your family Doctor Pindell
good Old Mother is well and riding about my Brother also much
recovered and seems. to Conquer what we wish for Henry looks
well we all dined there on Sunday weak Old Rachel Cooke we
had a Charming Dinner I helped my Sister with pleasure to every
thing I could and made part of the Desert she is a faithful friend
and was so to Me when Nancy was Sick Tommy talks of going
as soon as his Children are well Maria Visitted Mrs and Miss
Lee last Weak they all Dined at Sams Yesterday and all my
Children are again on good terms I trust I shall not live to see
it ever Otherwise again my best love to your Dear Children
and our good Uncle he is always ready to stand by you how
thankful I am you have all your Children with you James should never go
into Business in any of those large Towns I would give him
half I have to settle near me was I in your place or prevail
on him to go in the Mercantile line in the Country what is
