SIDE ONE

My Dear Sister With great comfort I take up my pen
to tell you that we got to bath on Wednesday and Nancy is
vastly recovered we came to the big springs the first day
and she was not the least fatigued her foot and leg the better
for the ride and ever since it has continued to mend to day she has
touched the ground with her shoes on the Heel of it also on
the ground she has not Bathed but looks much better Eats
hearty sleeps well and rides every day the Children all well except
Colds Slight Dear Thomas quite recovered from the Effects of the Laudanum
I am better have Eat without a sick Stomach which has not been
the Case a long time when I came up it was settled that I should have
nothing to do with the family but to attend to Nancy and the
Children I have as yet not interfered and hope I shall not by any
means I rest a little we left all well how unfortunate Sammy and
his family got home the day we set off it was a hard struggle for
me to not stay one day to see them but Nancys situation was
such the Doctor urged us not to stop our Servants was gone and
we all ready to set off when we heard they were in Fredrick Mr
McCall came to bath on Thursday he left them all well Sam is
to be up to see us shortly I did not hear from you by the last post
which surprised us but was glad to hear from Mr and Mrs Hair
from Philad that Cousin Betsy Deighman was better tho still in
a Critical situation not a great deal of company here our old
friend Mrs Belt just arrived Kitty Dulaney that was we live in
