Host team captures Carver Relays title

Carver distance runners turned back strong bids from Walbrook and Patterson last weekend to help their school take team honors in their own annual relays.

Coach Walter Cole's recently crowned cross country champions acknowledged that victory was sweet but was achieved in something of a surprise.

Cole declared after the meet that he had expected Dunbar and Patterson to furnish the main competition. However, an inspired Walbrook aggregation wound up the program tying Patterson for second, just three points off the victorious Cubs.

Team scoring showed Carver first with 37 points, Patterson and Walbrook with 34 each, Lake Clifton, 28, Forest Park, 25, Edmondson, 22, and Dunbar, 6.

Forest Park's 400 - meter relay team came from behind with a powerful anchor leg to edge out Edmondson.

In the sprint medley, Kenneth Boykin, the current MSA half-mile champ, turned a 1:59.6 half to run down Billy Bolden of Patterson on the final lap. Lake Cliftons' crack 800 meter relay team came home victorious on a tremendous anchor leg.

In the final event, the mile, Patterson showed good early season form in edging Carver and Edmondson with a fairly good time of 3:35.3.

In the j.v. competition it was all Carver as the team amassed 52 points to surprise runner-up Forest Park's 30.

Outstanding on J.V. was Carver's Roderick Roberts who broke open tight races in the distance medley and two mile relay to give his teammates insurmountable leads.

Lake Clifton and Walbrook (28), Patterson (22), Edmondson (12), and Dunbar (1) followed in that order.

Bevans breaks marathon mark

Baltimore school teacher Marilyn Bevans captured the Caesar Rodney Half - Marathon at Wilmington (Del.) last weekend in record time.

Clocked in 1 hour, 22 minutes, 46 seconds for the 13.1 - mile event, Bevans retained stature as one of the nation's 20 leading women marathoners.

The previous mark of 1:24.21 had been set last year by Elaine Lee of Garden City, N.J.

Bevans crossed the finish line 5 minutes, 19 seconds before runner - up Pam Adams of the University of Delaware.

Pro athletes unite under NFL's Garvey

An umbrella organization representing players from several professional sports has adopted a constitution and elected Ed. Garvey of the NFL Players Association as its staff director.

Charter members of the organization, called Professional Athletes International, are the players' associations from the NFL, The Canadian Football League, The North American Soccer league, The WHA, The Association of Tennis Professionals (men) and Professional (Motorcycle) Riders.

Two - thirds of the pro athletes in North America are represented, Garvey said.

In addition, the LPGA and the Women's Tennis Association have expressed some support for PAI, he said. Several other organizations, such as the Major League Baseball Players Association, cannot consider affiliation until their governing boards meet.

Not interested in the PAI at this time, according to Garvey, are the NBA and NHL players' groups.

WBA ratifies Spinks stand

COLOMBIA (UPI)— The World Boxing Association has ratified an earlier decision for world heavy champion Leon Spinks to defend his title against Muhammad Ali in September in New Orleans or an African nation.

The WBA executive committee met in Barranquilla over the weekend and said it would later set an exact date and location for the fight.

The WBA recognized Spinks as the world heavyweight champion following his defeat of Ali earlier this year. However, the rival World Boxing Council refused to recognize Spinks when he said his next bout would be against Ali. The council then recognized Ken Norton as world champion.

Vermont for Leon

MONTPELIER, Vt. (UPI) — Fifteen members of the Vermont House have come out punching for Leon Spinks, dethroned as heavyweight champion by the World Boxing Council.

The members introduced a resolution in the House Friday praising Spinks and criticizing the WBC for taking away his title "without a title fight."

The resolution urged the House to declare Spinks has "continued recognition as the world heavyweight boxing champion in Vermont."

The WBC recently revoked Spinks' heavyweight title and bestowed it on fighter Ken Norton, claiming Spinks had gone back on a pledge to fight Norton.

Get 50¢ a quart for your old oil just for trying gasoline-saving Uniflo.*

And you could also get 16 extra miles per tank of gasoline.

To introduce you to gasoline-saving Uniflo motor oil, your participating Exxon dealer will pay you 50¢ for each quart of oil he drains out when you get this Uniflo Spring Changeover.

And Uniflo could save you much more by cutting your gasoline costs.

After conditioning with Uniflo, a fleet of cars averaged 16 extra miles per tank of gasoline—16 extra miles this same fleet of cars didn't get with a conventional multigrade oil like most people use.

Uniflo isn't a synthetic. It's a golden, natural oil—Exxon's best engine protection ever—with special friction-reducers developed by Exxon research.

By cutting friction between moving parts in the engine, Uniflo saves gasoline. And money.

The Spring oil-change offer at participating Exxon dealers gives you a chance to save even more money. Why not by Uniflo now. Every day you wait could be costing you money.

*With this Uniflo Spring Changeover you get:
5 quarts Uniflo, filter, chassis lubrication
Regular suggested price ... $15.37
Less 50¢ a quart for your old oil ... -2.50

Suggested price is less if your car requires less than 5 quarts of Uniflo; more if your car takes more than 5 quarts.
