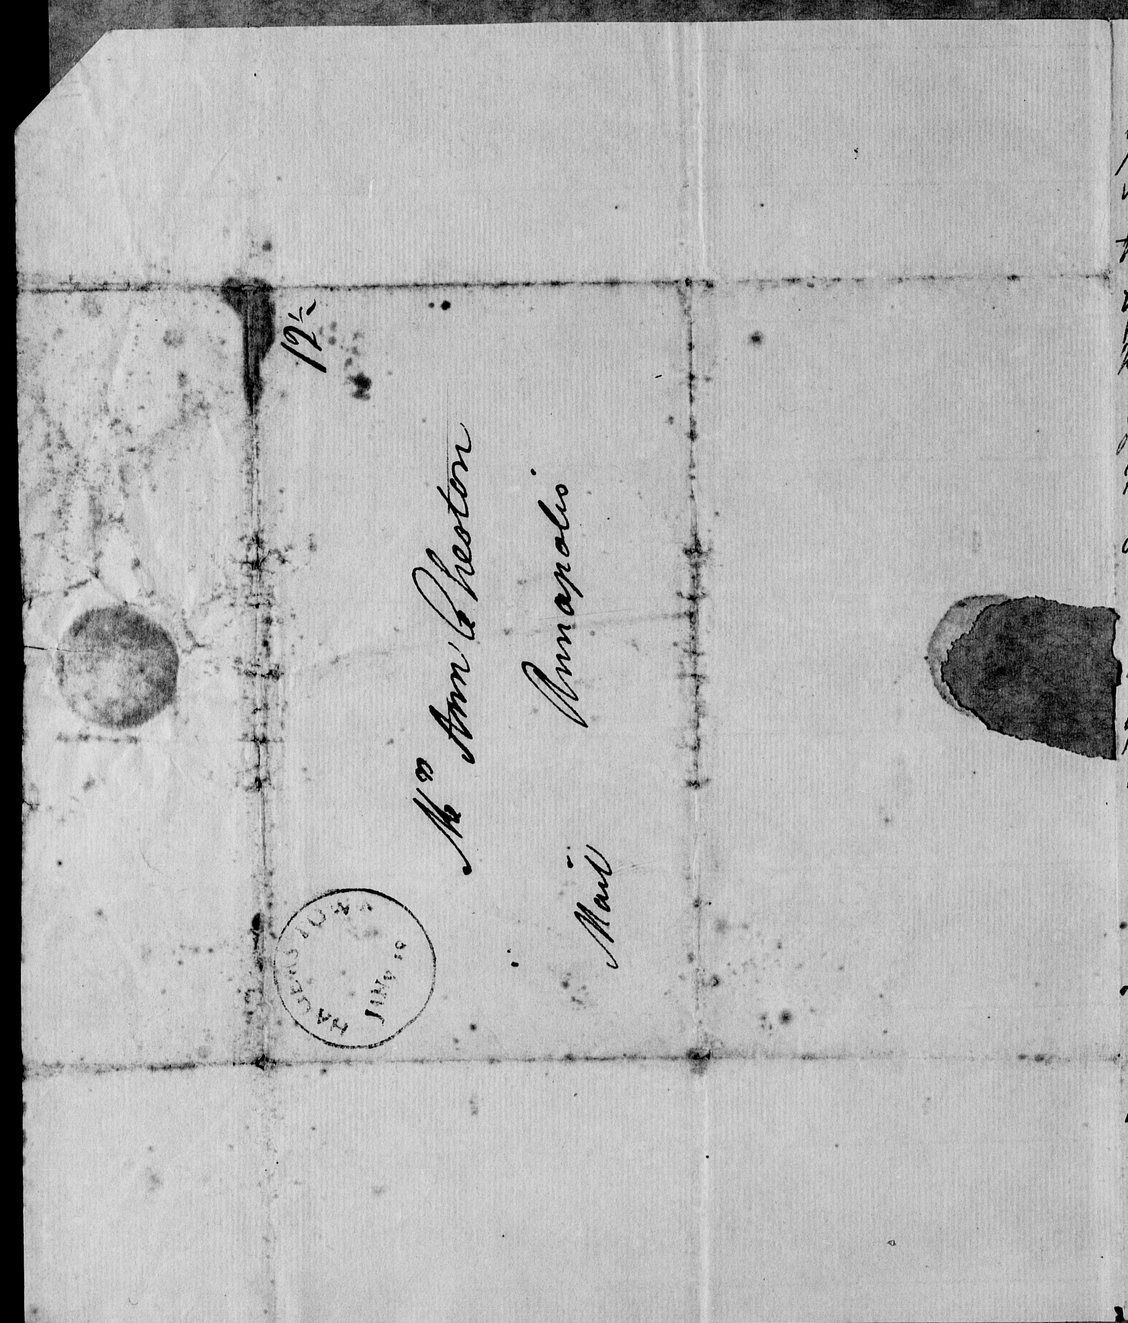
SIDE ONE



My Dear Sister I fear will think me unkind in not writing
you for three posts but the state of my own health my families and
Nancys prevented me we are all again better little Thomas being ill
this day weak I wrote to Mr Dilghman in his Absence to Sam and
if all had left Annapolis the letters to go on to good Nancy Children
had all been sick with Bad Colds little Thomas I found better when I
got there I Continued better for two days then was taken with such
Violent pains all over me my head Ears Breast I suffered much
on Saterday I got home that Night put on Blisters behind
my Ears and found great relief slept all Night last Night
without ever waking without Paregoric and have been this day
quite Easy I have not wrote to my Dear Brother for three weeks
and as I have done it to day I know you will excuse the
shortness of this as my head will not have to be so long kept
up I will just give you a few facts which will be pleasing Mr
Dilghman got home last Night Sam we look for Tomorrow or the
next day as the roads will permitt Perry Fitzhugh was here
from Tuckahoe yesterday all well there Deaches family well Dear
Mary Can step when you hold her and get up by a Chair my Sister
and Mrs Deaery spent this Morning here well I will attend to what you say
in your letter I received yesterday about blisters I dont know why Doctor Pindall
seemd not to like them Doctor says wedding put off it was to have been
