SIDE TWO

Harvard - and then crop. the Lay on the Chester Town Packet - and if Henrietta is ready to return home and the road will be agreeable to her we can take her under our Wing — does the Packets leave Baltimore on any other days of the week but Saturday? — are the Stages from Chester Town to Philadelphia now conducted? as some of the Family will be obliged to go up by that Conveyance with Ben Tilghman. — If possible I shall put this plan into effect as I shall return home from Chester Town and will be very inconvenient to go to Philadelphia at this busy season of the year — more especially as there is just now a brisk demand for plank to repair the Shipping which are arriving at this time — Sally & Mary are better join me in love & compliments
