SIDE TWO

examine them — believe the better way will
be to send them me — if I will pay them
into the hands of Mr. Buchanan and have
send brought on them —

Probable there would be a good
time to lay in Plaister of Paris from the Ships
which is coming in with it — I shall want 7 or 8
Ton — and Mr. Chester general matter with
three Tons — at any time an opportunity offers
wish you to purchase 8 Ton for me & put
it on board the boat at once —

In time had weather — no
rain nor prospect of rain — all hope of making
a crop of Tobacco. This year must be over — as
the plants are burning up — Lock and Sharpe
have you heard the Lord Raven proper need
fear. for we must be all bankrupts —

Yours Truly

Tuckahoe July 15: 1803 John Galloway
