

1791-15

Sir

Herewith you have an acct. of the sum
 laid out for the repairs of the Market House at Pills-
 Point, by Mr. Plunket, Capt. T. Johnson & myself; of the
 monies rec^d by us towards our reimbursement, which full
 amount £91.13.6. I was not present when these Gent^l
 waited on the Town-Commissioners requesting funds for
 this business, but understood from them that the Com^{rs}
 promised to make good whatever sum should be
 advanced by us - we however limit our claims to the
 balance actually due, which hope the Commissioners will
 make no scruple in paying whenever they shall have
 sufficient funds in hand. The subscriptions papers &
 other documents respecting this were left by me with Mr.
 Plunket on my departure for Europe, & remain lock'd up
 in his private desk - when that shall be opened, they will
 be deliver'd by you. Be pleas'd lay these papers before
 the Com^{rs} & oblige
 Sir
 Your very Obed^t Serv^t
 William Zouery
