SIDE TWO

quite well by this time if my prayers have been heard — you desire me to send you a pattern of a cap, you are very good my dear to put yourself to so much trouble, & let me assure you if I thought it were necessary to have any thing to remind me of you I would not give a fig for my heart, notwithstanding that heart would ever retain the same warmth of affection for you without any memento, still it is weak enough to accept your kind offer as it is a gratification to possess a thing done by the hand of her you love — I send Both you & Cousin Sue a thimble which I hope may fitt, that is to assure you I am acquainted with your industry — give my best love to Cousin Mama tell her I will certainly send the Tea & the best that can be purchased in the City — I do not know what to say about sending you a pattern as I really have not one nor have I seen any lately — as Mrs McCall has been so good as to enquire for me — My wedding Shawl I fear will tire you so after requesting you to present my affectionate love to all with you. I am most sincerely your truly affectionate Cousin
