SIDE ONE

Fountain Rock January 26th 1800

Happy I am to hear that my dear friend is on the recovery and fervently do I pray that you may now long injoy uninterrupted health, to tell you what I felt at hearing of your illness is impossible, and could the divine solitude of yt M. R. conduce to your health rely on it, it wd be incured for ever — you must now take great care of yourself, and much as I wish to hear from you yet let me beg of you not to exert yourself too soon to write to any of your friends, they will not expect it, or stand on ceremony with you — this has been a trying time, every body have been siezed with some colds, and children particularly, my little Maria & I am have had extreme bad colds they are now thanks Heaven on the recovery you wd have been pleased with them both, but Maria, was in truth like a little woman she act

and let my dr Aunt and cousins partake a part God bless my dr Ann may you ever be happy and injoy real health is the constant prayer of your
