SIDE TWO

you before this, I know they wish it very much, and I am sure you will be delighted with Marias sweet Pets.— I have had a long talk with the other night about their Beauty, French and his Wife did not think Ds Little Nanny the least pretty, and wondered that we could think so, French at length determined that his Child was the Beauty of the Flock & Mrs R. said that she was so much admired last Winter in George Town that the Painters then wanted to take her Picture: so much are they blinded, I was really surprised at it.— I am sorry to hear Ds Mary Galloway had a return of her Ague, how is her Eyes now, do they pain better: I am glad to hear Mr Hall is riding out again sincerely hope he will soon be quite restored, give my love to Mrs Hall when you see her. Aunt Galloway and Mrs Dury spent Saturday Evening with us, we played a merry game of Whist, I have not laughed so much a long time: Mrs Fitzhugh and Ruby Pots were here this Morning, Mrs F looks as blooming and well as ever she did, she enquired after you all and desired to be remembered to you: please give my Aff.t love to Aunt Christian & Cousin Fanny and to Uncle and Aunt G. dear Mary and Uncle Joe. I suppose we shall see him shortly on his way to Cumberland, tell him his Gig is nearly finished.— God bless you all and believe me to be

Your Aff.t Cousin
