My Dr Cousin

As I am generally a good Correspon I will not make any apologys for my long Silence. I left my Dr Mother yesterday better than she has been for some time, I met her as I went to Town riding out, and if she continues better she will come out to Bro.r Sams this week and ride over her way day, as our House is painting all over I have not a lodging Room for her, but I hope the change of Air and scene will be of Service to her; you know not how much she has suffered, I never saw her so reduced in my life. I wish it was possible to prevail on her to go down to your House
