1804-1810

SIDE TWO

for a short time as I am certain it would be of great service to her, but she will not consent to it. I hope my Dr. Aunt and Cousins will pay us a Visit in the Summer as it will be a great comfort to us to see you.— what will be done with my poor unfortunate Brother I cannot conceive, and this prays upon Mama day and night.— I have only been at home two weeks, after staying Seven weeks with my Dr. Mother, she is very lonesom when I am not with her, but when our House is finished she will spend a good deal of time with us.— we have improved it very much since you were here, our Garden is nearly finished and a delightful one it will be.— I hope poor John Galloway will begin shortly to feel the good Effects of the Spring Weather, tho' yet its very Cold and chilling for the Month of April.— I spent three days last week at my Bro.s very agreeably, they are all well; Fenchs Wife is very sick, his Dr. little Girls can walk alone Mr. Fitzhugh and all my Children desire to be Affly. remembered to you all, give my love to Aunt and Cousin Fanny and all at Belle Ville and believe me to be

Your very Aff.t Cousin

Anna M. Fitzhugh
