Many thanks for your kind letter
My dear Ann. which I received by your Uncle Galloways
Jack, I was very happy to know you were all
in such good health, but you say nothing of your
coming up to spend any time with me. I wrote
to you some weeks ago requesting you, and my
to prevail on Sr & Mrs Chetson to let you spend
the winter with me, nothing you may be well
assured wd give me more sincere pleasure, and
I really think you have been nurse so long that
Fanny ought to take your place & let you
recruit I have thought much of you, and not
not without pain when I reflect you are so

dear little Maria is much grown but is not
quite well at present, she often enquires after
her Aunt Chetson, her Memory is astonishing
please to present my best respects to Mr G.
he is the only one left I believe of your ac-
quaintance — also my best wishes attend
your dear Father, Mother, & Fanny with sincere
affection I am my dear Cousin your real
