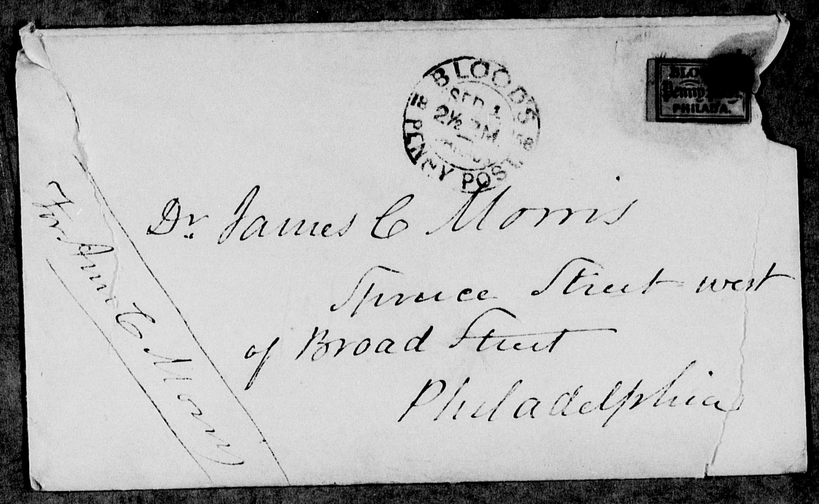
SIDE ONE



cultural wonder, soil, moss & all —
— and when nature has done every thing
for you except arranging the drainage
and grubbing out wild roots, & stumps
and ploughing the soil — a cranberry
meadow must be a pleasant, and
profitable profession — if these natural
advantages are not at West River, no
labor will avail to profit.

Some of the leading
Peach nurseries are in the
neighborhood of Salem N. J. but
I do not know the names of
the Proprietors

affectionately thy brother
Stephen F. Morris.
