1859 September

SIDE TWO

but she says she has never heard
~~Even~~ since he was born seeing
him at Christ's Sunday School
and can not bring herself to
have him with her. She had
spoken to another Doctor who
on hearing of I was absent. I am
desirous of keeping the family
for Chester hereafter as well as
myself now. So we must even
~~this~~ practice self denial for
the Children's sake – Nothing else
keeps us at our several posts
of duty – and it is our duty to
do all in our power to promote
their welfare. I do not desire
to accumulate wealth for
them – You know I never did –
but only to enable them to
start on a course of respectable
usefulness serving God in
the position to which He has
called them. May He keep &
guide them. Must he our
daily prayer. I do hope
the arrangement with Dachert &
Co. may be perfected &
more satisfactory as I
~~hope~~ think it will, and that
my anxiety about the Gannon
Plan may be unfounded.
We must ~~strive~~ to get ourselves
rid of anxiety – It is so wearing
from us. May God grant us rest
and peace in the right time
and way. Causing these trials
like those of Jacob to be for us
even when we think "All these
things are against me" –

I look with amazement on
dear Mrs Buckley. She has
Anna Israel & Effie now
dependent on her. Edward thinks
it so hard she will not do more
for him that he does not unto
other. In this many the got
