SIDE ONE

set upon things above, and not on things on the earth - The election of Pepper to the place of Dr Wood gives general satisfaction in which I fully participate. The addresses at the laying of the Corner Stone are now being printed! when they are ready for distribution I will send you one. Brother Israel has taken passage for England for himself and Theodore & Frederick who will graduate at Heidelberg next day - They are to sail in the month of July, and will I have no doubt have a nice trip.

The family at Germantown is as well as usual. The world is greatly excited about the Japanese who are to arrive here on Saturday. Among other places they are to visit the Sugar Works

Friday Morning.

A rainy day. Letter this morning for the Doctor. All the arrangements were made and they were to leave this morning the two girls Effingham - Galloway with dear Cora & all

I have neglected to say how we are delighted about Cornelia's visit to us

Philad June 17th 1860.

My Dear Wife

Israel has just gone having called hoping to hear about Cornelia - but the letter carrier had nothing for us. We hope she is not worse, and that you are all enjoying the lovely day - the first which could bear such a remark about it without shedding tears or at least letting the veil fall - I presume the cloudy damp spell has reached an end. Annie and Mitt Hamel & Galloway will probably start tomorrow. They hesitate chiefly on account of Cornelia's sickness thinking they will add to your cares if they do not seem to encourage them to venture as I do believe the journey will be of service to Annie. I hope you may be able to have some pleasure in their company - I am chiefly troubled about your carriage arrangements - for Collandemus they start to go while Galloway can escort them ~~[illegible]~~ ~~[illegible]~~ It will afford him a little relaxation - I am no longer pressed by my business and must look for something to engage my hours or days lest the enemy take advantage of idleness to
