SIDE TWO

How to use them.
I am entirely lost here to tell you
of the anxiety about Harry's
expense in the Harrison fight.
I endeavor to keep my heart on God
but can not avoid the apprehension.
I enclose with this letter power
Brother Galloway what I will thank
you to put on the bank safe or the
Pocket book or any he supposes
to keep it. You will please direct
the matter about which he enquires.

I have not heard any thing about
the Osborn lately. You must not forget
to have it attended to at the proper
time. Will must come to decide
Mary & Harry & Cornelia and all
the circle around you.

Your aff't loving husband
Caspar Morris
