Israel and Annie & Effie are well as
also Mrs Buckley — Annie had unfortunate
went to Allatoona yesterday. I fear she will
suffer. Mr Fatten had a great about it — said
she wouldn't nothing bitter than to ride about
in the omnibus with him and go to some of
the quadrilles at the Cong & top. &c. Poor
Annie was sadly disappointed but quite myself
relented & agreed to go with them to the seaside
I do not know what he will say now —
