SIDE ONE

a pleasant change for
them all
Thus your mercies
and blessings are
showered upon us
May our hearts be found
filled with gratitude &
our mouths with praise
which we humble ourselves
under a sense of the
truth that God has not
dealt with us according
to our demerits but has
been gracious & merciful
in abundant degree
with love to all about you
from faithful husband
Asa Morris

We have bought a carriage $150 -
It will come here to-morrow or day
Sundays or Mondays boat - I think
a one or two days -

My Dear Wife

I have only time to
assure you of my health and
comfort, having sat writing all
the same memoir till I
must get off to my out door
duties. Your personal note from
Woodside was received yesterday
afternoon & I shall wait with
loving anxiety for further
news. Whatever may be
assured dear Mary that
of my warm sympathy &
affectionate regards - I know
I do what is better - You
must trust under us. M. D.
