from I do wish you would return with him & pay us a visit indeed you ought to come & see the baby he kind of belongs to you — & he is getting very sweet, & has improved so much is getting very fat — he likes his Nurse very much & she certainly is a most excellent Nurse & a most agreeable companion. I am afraid I shall not be able to enjoy or appreciate any other society. I have been so much with monthly nurses, I am beginning to feel like myself again, but can hardly believe that any one can feel gaily like these old ladies. I have been drinking for two weeks & more. Enjoy it very much there is no hurry about the wheat. I think the grape
