SIDE TWO

Dr. J. Okeston and his wife
came to see me, I rode
for a half hour to the
Neck, you do not know
how glad I was to see
the old place once more
and how pleased old Rachel,
Brion were to see me, Brion
said Miss Susan you belong
to this family, why dont
you come and see us often
and then he said he was
almost afraid to ask for
my family, I told him all
of my Mothers Children were
dead but Thomas and he
was it not considerate and
kind in him, they seemed
disappointed I was going so
soon -- Lou well and pretty
Mary looked - I saw but one
of the little ones, the other
was asleep, Mr. Muny I did
not see, I hear that Galloway
is in a fair way to
take unto himself a wife too,
I hope you are all well
my kind regards to all
with you, dear Maria
God bless you
Yours Truely
Susan A. Davis
