1860 April - August Caspar Morris Wyoming Letters

SIDE TWO

My dear Wife

I cannot resist the temptation to send you this note. I returned the money with a note expressive of my gratification in having done what I could to transmit the memory of Dr W. favorably to posterity — Dr M. W. called just now & said he should place it in another shape & send it home. I at once told him I would rather have the money than any other testimonial — (fearing that would be only a trouble to us) so he gave me the money which I shall put with a carriage for you at day break, unless you send me word you would rather not have it.

Your loving husband
