1865 Cousin Nancy

SIDE ONE

Chestnut St
June 22nd - 65.

My dear Uncle,

I enclose the only thing in the shape of a letter which has yet arrived & believe that is a circular of some kind. Every thing going on very — No new calls from any of your patients yet. Miss Cowpland was here this morn. & I promised to see her tomorrow evening. Mr Shinn is at Newport & his boys know nothing about the Arsenicum preparation; neither Hubbell nor any of my medical friends ever heard of it, so I can't order that curtains — Shall I try Fowler's Solution? There are two letters here for Cousin Emily — where shall I send them? Aunt Annie & Nell McMurtrie
