Mr. Arthur Trader,
Land Office,
Annapolis, Md.

Dear Mr. Trader:

I am planning to be ⁱⁿ New York next Wednesday,
and then go on to New Haven and Hartford.

Can you arrange to do New Haven and Hartford
with me? I believe you would get some valuable data from
the new Yale buildings and also from the Connecticut Library
in Hartford, which I understood from Mr. Martin, is partic-
ularly well equipped.

If you plan to make the trip, we can take up
the details over the telephone.

Sincerely yours,
