Thou wilt keep him in perfect peace whose mind is stayed on Thee: because he trusteth in Thee. Isaiah. 26. 3.

Dear Dr Morris -

An unseen hand is guiding thee
On life's uncertain way,
Apart from human hopes, and fears;
And yet, we can but pray

That now, a Special Providence,
May guard thee on the deep;
And from all ills, in foreign lands.
Both "watch, and ward" may keep.

If we could envy One so dear
This rest from toil below,
(While ministering to suffering here
In sympathy with woe) —

I would not be sights of costly dome;
Domains of wealth, and ease;
The hardy Switzer's mountain home,
The Alps, or Pyrenees —
