Mr. Laurence Hall Fowler,
347 North Charles Street,
Baltimore, Maryland.

Dear Sir:

The number of copies remaining of Mr. T. C. Blegen's
Report on the Public Archives (Bulletin of Information
no. 94) is so small that we are obliged to make a charge
for them. We could supply you with a copy for fifty cents,
postpaid - stamps not accepted in payment.

Yours very truly,

Annie A. Nunns
