SIDE TWO

engagements, shall be happy to receive any further suggestions in reference to our journey that may occur to you, with regard to books - a list of them would be sufficient - as we do not go East until Spring of 73. previous to which we can order the books to Cairo. I am happy to inform you that Mrs P is so much improved in health that we renewed our journey this A.M. with comfort. She sends her kind regards.

We wish yourself, wife and friend a safe return to our goodly city of Brotherly Love, and that you may long enjoy the reminiscences of your journey, and convey to your very large circle of relatives and friends a portion of the pleasure you have been permitted to so fully enjoy.

Miss Anna Blanchard and Mr Stangarten, join us in kind regards to yourself & friend - our address is the same as yours. (Brown Shipley & Co)

Ever Truly
Thomas Patterson
